Re: Announcement for MBA Student Codes 60,61,62,63,64

To Whom It May Concern:

International College, Rajamangala University of Technology Krungthep would like to announce and notify students who have not been in the process of thesis or independent study and will be out of student status for a maximum period of 5 years.

Therefore, by law, International College and the University's Registration Office may take your names off the system. MBA student code 60 will automatically expire **in August 2022** (after a maximum of 5 years of study in an M.B.A. program) and student first semester of 61 status will expire **around June 2023**.

However, any student (Code 60,61,62,63) who is ready to take the Thesis / IS examination, should inform the advisor to present the head of program to set up an examination committee to complete it within maximum of 5 years.

Anyway, before students can take the IS Thesis examination, they must meet all the eligibility criteria (Grade C) G.P.A. not less than 3.00 and have no outstanding debts with the international college. Thereby, students can check and pay tuition fees, penalty, and extend student status fees strictly in accordance with the regulations of university.

For more information, please contact the international college officers as below address.

Yours sincerely,
