Re: Announcement for IC.RMUTK's Students

To Whom It May Concern:

The International College has prepared a new course, Bachelor of Business Administration Program in International Business Management (International Program) (**Revised Program 2023**), thus making the subjects different from the original curriculum. And in the new curriculum for the academic year 2023, there will be no teaching and learning in the amount of 2 subjects, namely

1. 5300102: Introductory Microeconomics
2. 5300103: Introductory Macroeconomics

Therefore, **students who have not yet registered for 2 classes or grades in the above 2 subjects are in Grade F** (as shown in the list attached below). **Please register within the summer semester, 3rd semester, and academic year 2022 only (3/2022)**. If the student does not register for the aforementioned courses, it will affect their graduation.

Note: Teaching and learning are onsite only.

Please be informed accordingly.
